

# Invitation for Expression of Interest (EOI)

Management Services Required on

## “Managing Railway Operator for Ukhaa Khudag-Gashuun Sukhait Railway” in Mongolia

The Energy Resources Rail LLC (ERR), Mongolia, is constructing a railway for transporting coal and other minerals in South Gobi, Mongolia. It wishes to appoint a Managing Railway Operator (MRO) to manage and control railway operation on Ukhaa Khudag(UHG)-Gashuun Sukhait(GS) railway. The MRO shall be solely responsible for efficient management of the UHG-GS railway, in accordance with internationally accepted best practices relating to (i) safety management systems; (ii) human resource management; (iii) environment management; (iv) customer/community liaison and management; (v) operational management and operational control; (vi) fleet management; (vii) asset management; and (viii) interfaces with other associated parties. Brief information about the assignment can be obtained from the contact address below.

Interested parties should express their interest by providing the following:

- EOI letter indicating name and country of the company, authorized representative's full name, address, telephone and fax numbers;
- Details of ownership structure of the company;
- Audited financial statement for the last five years;
- List of contracts, reference contact addresses and

description of services demonstrating the sector related experience in last 10 years;

- List of contracts, reference contact addresses and description of services demonstrating the experience in key activities in last 10 years; and
- Summary of candidates for key positions.

Upon the receipt of EOI from interested parties, ERR shall evaluate and pre-qualify applicants. Main criteria for the evaluation and prequalification will be experiences in similar assignments and key activities. The EOI shall be submitted one printed copy and CD in sealed envelope, delivered to the address below by Monday April 2, 2010, and be clearly marked “Expression of Interest for Managing Services for UHG-GS Railway.”
