NINE, Sutton Court Road, Sutton,
Surrey, SM1 4SZ, United Kingdom

This index covers the 12 issues of Railway Gazette International
published between January and December 2013 (Volume 169).

Most entries in this index are classified first by country and then under the
railway or city concerned. Articles of general interest affecting more than one
country are listed under International, which precedes the alphabetical listing of
countries; this section also includes categories for
Surveys & Overviews, Interviews and Comment & Viewpoint.

Separate sections at the end of the index cover Industry, Innovations,
Maps, Letters to the Editor, Publications and People.

Each entry shows the issue number followed by the page number (M/PP)

* indicates a major article (illustrated)
‡ indicates an item accompanied by a map
# indicates a captioned picture or short illustrated item
