This index covers the 12 issues of *Railway Gazette International* published between January and December 2016 (Volume 172).

Most entries in this index are classified first by country and then under the railway or city concerned. Articles of general interest affecting more than one country are listed under International, which precedes the alphabetical listing of countries; this section also includes categories for Surveys & Overviews, Interviews and Comment & Viewpoint.

Separate sections at the end of the index cover Industry, Innovations, Maps, Letters to the Editor, Publications and People.

Each entry shows the issue number followed by the page number (M/PP)

- * indicates a major article (illustrated)
- ‡ indicates an item accompanied by a map
- # indicates a captioned picture or short illustrated item
